

# Make Your Lands Work for Wildlife

*The Working Lands for Wildlife Partnership helps Nevada ranchers, farmers and Tribes protect two wildlife species:*

## GREATER SAGE-GROUSE AND SOUTHWESTERN WILLOW FLYCATCHER

Apply by  
April 30

\$33 million is available under a new national partnership effort to protect two targeted wildlife species. Contact your local Natural Resources Conservation Service or Fish and Wildlife Service office to find out how you can help these birds and improve your bottom line.
